June 26, 2019

As you are aware, Versailles Municipal Utilities has an annual 2% sewer rate increase that takes effect on July 1 of every year. (By Ordinance, this policy was suspended the previous three years when the more significant February increases occurred.)

As a result, effective with your July 2019 readings, the new "Outside City Sewer Rates" that you should be charging are as follows:

| <u>Gallons of Water Used Per Month</u> | <u>Charge Per 1,000 Gallons</u> |
|--|-------------------------------------|
| Monthly Meter Charge | \$17.18 (includes 1,000 gallons) |
| 1,000-150,000 | \$9.88 |
| Next 850,000 | \$8.75 |
| All over 1,000,000 | \$8.74 |

This change affects the District customers' sewer rates only; there is no change to the District's water rates.

As always, we appreciate the opportunity to serve the Northeast Woodford Water District. Please contact me with any questions or if we can be of assistance.

Sincerely,

Bart Miller
